Forecast for Sunday 23 Aug 2020

Weather: It will be a brighter and mostly dry day across the North Grampian area. Best of the sunshine will be at first and again later in the day. There will be a few light showers, mainly in the north.

Chance of cloud free mountain/hill tops above 800m: 80%. Patchy cloud cover about 700 to 800M becoming a bit more extensive later in the morning and during the afternoon, melting away again later.

Visibility: Air will have great clarity resulting in very good visibility away from any showers.
